

FractureData::getSpatial  
Discretization

FractureHandler::init

```
graph LR; A[FractureHandler::init] --> B[FractureData::getSpatialDiscretization];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'FractureData::getSpatial' on the top line and 'Discretization' on the bottom line. The box on the right is white and contains the text 'FractureHandler::init'. A dark blue arrow points from the right side of the white box to the left side of the gray box.
