

IntersectData::getFracture

f

```
graph LR; A[IntersectData::getFracture] --> B[f]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'IntersectData::getFracture'. The right box is white with a black border and contains the letter 'f'. A dark blue arrow points from the right side of the gray box to the left side of the white box.
